

Your online newspaper portal

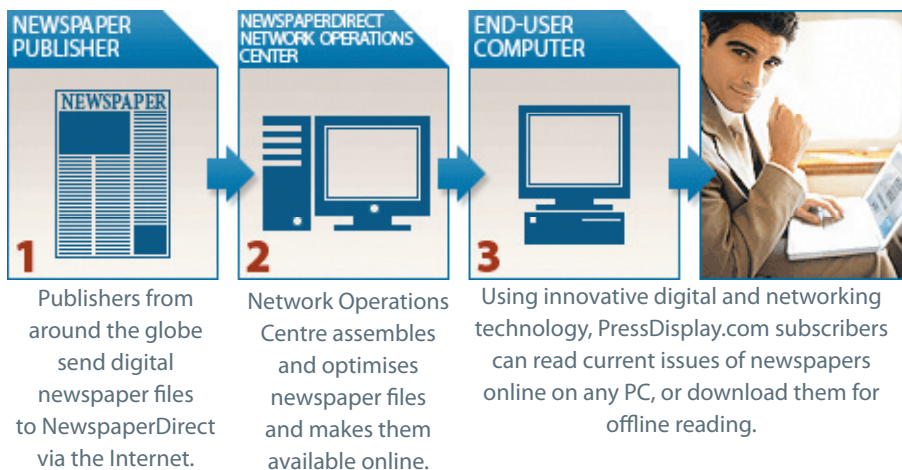

A convenient and cost-effective way to read all your newspapers on one site

PressDisplay™ is an online newspaper portal which offers more than 400 newspapers from more than 60 countries in over 35 languages. All newspapers are published in their original format and layout, including full text and images.

Hosted on the PressDisplay platform from NewspaperDirect,

PressDisplay is the most convenient, complete and cost-effective way to read all your newspapers on one site. Your subscription provides end users with access to newspapers from home and around the world on the day they are published. Easy-to-use navigation tools and a simple user interface enhance the reading experience.

PressDisplay provides users with unlimited* reading access, through an easy-to-use interface to the most current editions of international and local newspapers and magazines. Anyone in the office, or working remotely, can use instant translation, select articles in a table of contents and share article links with colleagues.

Main Features:

- Digital replicas of original newspapers
- Keyword full-search
- Access to up to 60 days of back issues for each title
- Onsite and remote access and offline reading
- Smart Navigation which breaks down the newspaper by sections and articles
- Article jump / linking
- Sound integration
- Article sharing, printing and RSS feeds
- Blogging
- Instant translation from 12 languages.

Highlights:

- More than 400 newspapers from over 60 countries in more than 35 languages
- Single and comprehensive interface for newspaper access
- Quick navigation via page thumbnails and fast loading pages
- Offline reading.

Benefits:

- Access to unlimited newspapers
- Receive same day papers online
- Accommodate the newspapers research needs of remote end users
- Save time and money with an improved and constantly growing list of available publications.

NewspaperDirect proposes two solutions that aim to match your organisation needs:

Additional Benefits by EBSCO

About NewspaperDirect, Inc.

NewspaperDirect is the world leader in digital newspaper distribution. Founded in 1999, the company is headquartered in a suburb of Vancouver, British Columbia, Canada and has offices in New York and Vienna. The company offers two services—Print-on-Demand and PressDisplay.

NewspaperDirect has become a centralised global repository for content of daily newspapers. It has agreements to receive content from publishers around the world and make it available in the original design and page layout to readers globally. The content is simultaneously deployed for online reading at PressDisplay.com and for on-demand printing via our global digital printing network. Currently, the company has the largest and most comprehensive selection of newspaper titles from around the world and continues to expand this list on a monthly basis.
